Hearthstone Christian School

FAMILY COVENANT

2020-2021

It should be understood by the parent(s) of students at Hearthstone Christian School that the goal of the Owners and School Advisory Board is to create an atmosphere where Christ is honored above anything else that we may seek to accomplish. Within the framework of this task, we take seriously our goal of providing a safe place, emotionally and physically, for children to learn and play and grow.

Parents whose children attend Hearthstone Christian School will strive with us in training your child(ren) to seek godliness and wisdom. It should be understood that where significant differences in a family's lifestyle and beliefs become a hindering factor in the training of your child and certainly another family's child, those issues will be addressed by the Owners and School Advisory Board to determine if continued enrollment is beneficial to the school.

Parents should understand that the behavioral standards that we expect from our students and what we have outlined in our Handbook is what we believe that Scripture dictates to a person, even a child, who wants to live a life that is pleasing to the Lord. If a student continually and willfully rejects our behavioral standards, then it is clear that the family is not able to support our school and staff in its primary mission to honor Christ.

More specifically, parents will support our standards concerning swearing, vulgar language and joking, discussing and glorifying violent movies and video games, and purposeful drawing of attention to explicit innuendos, music, apps, etc. Students who choose to do these things are not a good fit for HCS and WILL BE disciplined immediately, up to and including expulsion.
